## REQUEST FOR QUALIFICATIONS

### AERIAL MAPPING AND DIGITIZATION SERVICES CAMPUS BASEMAP DEVELOPMENT

The University of California, Irvine requests the qualifications of firms interested in providing Aerial Mapping and Digitization Services to support the Campus Basemap Development project.

The University seeks a firm with the following:

- Ability to perform surveys and aerial mapping of large areas >1,000 acres
- Experience on projects for owners of commercial, industrial, institutional campuses and complexes
- Ability to produce comprehensive products that integrate adjacent topographic surveys and existing CAD and GIS data
- Capability to provide aerial photography and required mapping with horizontal control relative to NAD 83 with vertical control based on County of Orange benchmark system, relative to NAVD 88

The University will award a contract to the firm that is determined to be the best qualified based on an evaluation of the Statements of Qualifications received and interviews conducted with short-listed firms.

The selected Consultant and all Subconsultants will be required to follow the nondiscrimination requirements set forth in the Professional Services Agreement and to pay prevailing wage rates at the location of the work. No Consultant or Subconsultant may be awarded work under the Professional Services Agreement unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5. Services performed under the Professional Services Agreement are subject to compliance monitoring and enforcement by the Department of Industrial Relations.
