

REQUEST FOR QUALIFICATIONS ENVIRONMENTAL CONSULTING SERVICES

for
Various Capital Improvement Projects
University of California, Irvine

Under the guidelines of Calif. Public Contract Code 10510.4 - 10510.9, the University is seeking the best qualified firm to provide on-call Environmental Consulting Services in support of various capital improvement projects on the main campus and North campus.

REQUIRED SERVICES: The University of California, Irvine, Office of Campus Physical & Environmental Planning (CPEP), requires environmental consulting services to assist in the preparation of documentation for upcoming capital improvement projects in compliance with the California Environmental Quality Act (CEQA). Capital improvement projects may include academic, research, housing, medical facility, athletic, arts/cultural facilities, and other higher education facilities. The work requires experience with CEQA and federal, state, and local planning laws. Familiarity with the University's 2007 Long Range Development Plan (LRDP) and its 2007 Environmental Impact Report (EIR) is desirable. Previous experience with arts/museum projects is desirable.

The selected consultant(s) may be asked to provide a number of environmental services on an as-needed basis, including, but not limited to, the following:

- Conduct preliminary review of projects under CEQA
- Preparation and circulation of CEQA documentation, including, but not limited to:
 - Initial Studies (IS)
 - Negative Declarations (ND)
 - Mitigated Negative Declarations (MND)
 - Environmental Impact Reports (EIRs)
 - Addenda
 - Notices of Intent/Preparation/Determination/Exemption
- Agency consultations
- Conduct scoping meetings
- Geographic Information Systems (GIS) mapping
